Astragalus 8000

- **HEALTHY IMMUNE-SYSTEM MAINTENANCE**
- **ROOT EXTRACT, 16% POLYSACCHARIDES**

Astragalus (*Astragalus membranaceus*) is employed in alternative medicine when the immune system faces either environmental or internal challenges.

Astragalus boasts a mosaic of constituents which include polysaccharides, triterpene glycosides, flavonoids, amino acids, and trace minerals which can help maintain immune strength. Astragalus 8000 is potency-validated in our ISO 17025–accredited analytical laboratory to contain a minimum of 16% polysaccharides. These biologically active, water-soluble compounds invigorate immune function.

Discover the role Astragalus 8000 can play in your action plan for superior immune performance.

Make Life Better · newrootsherbal.com

Each vegetable capsule contains:
